

HOW YOUR LEGACY CAN CARRY ON

*Whoever cares for the poor lends to the Lord,
who will pay back the sum in full.*

(Proverbs 19:17)

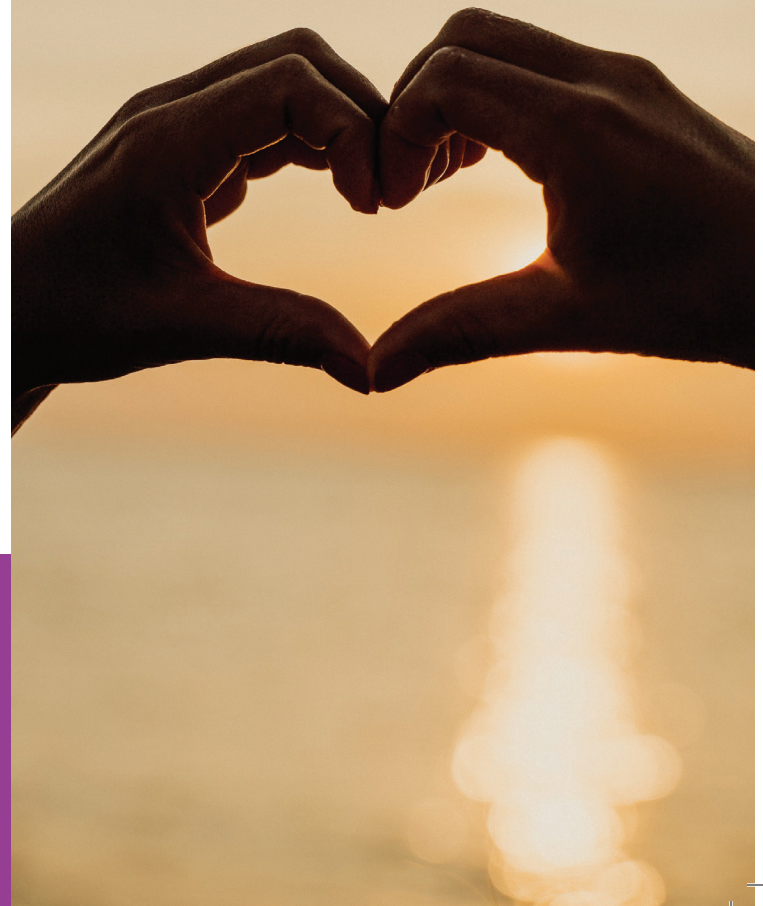

Designating the BCAF

The Bishop's Charitable Assistance Fund (BCAF) has been the recipient of several legacy gifts. We are using them to enhance our grantmaking to more organizations in need.

This enables the BCAF to assist nonprofit organizations that improve the quality of life and provide basic essentials for individuals and families in New Hampshire. We are grateful to the families of these donors for making a final gift to the BCAF possible.

If you would like more information on creating a legacy for the BCAF, please contact Melanic English at 603-663-0166 or menglish@rcbm.org

Have you ever thought about your legacy? You may faithfully be making annual donations to the charitable organizations important to you and your family, but have you considered what will happen when you are no longer able to make those annual donations?

Planned Giving

Planned giving, also referred to as gift planning or legacy giving, is a donor's intention to contribute a planned gift to an organization beyond their lifetime. This is often a continuation of the donations an individual or couple has made while living, but on a larger scale.

A planned gift can be made in several forms:

- A cash bequest to a charitable organization in a Will or Trust,
- A gift of stocks or bonds, or
- The designation of a charitable organization as the beneficiary of a life insurance policy, annuity or IRA.

A donor can even specify the purpose of the gift and limit the amount of the gift that the organization may spend annually.

*Commit to the Lord whatever you do,
and He will establish your plans.*

(Proverbs 16:3)
